

***May I have your Attention, Please!
Sunday, May 26, 2019 SPDJ will be
hosting it's very own Representative Band,
The Night Blooming Jazzmen!!***

Since October 1975, the Night Bloomers have been representing the Society for the Preservation of Dixieland Jazz. And it all started with Chet Jaeger, a former SPDJ president, forming the band with club musicians to represent SPDJ at the third Sacramento Jubilee (a very popular festival until a few years ago). They have been a successful and popular band with gigs that include festivals, outdoor and indoor concerts and private parties because of the fun they have and the wonderful sounds they produce. Don't miss this legendary band by joining us on Sunday! And remember, there's dancing, a cash bar and so much fun!

When: Sunday, May 26th

Where: Duarte Elks Lodge – 2436 Huntington Drive, Duarte, Ca

Time: 1:00 PM to 5:00 PM (Set up is at 12:30)

Did you hear? SPDJ officially has a web site! Thanks to Pattie Olson, we are finally able to be in the technology era! Check it out. It's still new, but it will provide you pertinent information and pictures regarding our club!
