

August is “Admit You’re Happy” month!

And what better way to celebrate this fun holiday month than to listen to and/or play the best music around at SPDJ in Duarte!

On Sunday, August 25th ***The Society for the Preservation of Dixieland Jazz*** will have jam sessions using the musicians who want to play with other musicians who they don't normally play with.

It is always fun to see the interesting combinations and special surprises that happen! And we will have 2 guest musicians joining us: **Scott Chapman** will be joining us on piano and **Dan Zeilinger** will be on bass.

**Musicians – Bring your Axe
Dancers – Bring your Shoes
And everyone – come join the fun!**

For more information go to our website at www.SPDJ.org or go to our Facebook Page “Society for the Preservation of Dixieland Jazz”

**SPDJ meets on the 4th Sunday of every month from 1 – 5 PM.
